STAT

Now that you have completed a year's experience on the Management Advisory Group, I hope you will look back upon it as an interesting and constructive tour of duty. We are constantly faced with many challenges. MAG has found ways to contribute to our understanding of a number of issues and has offered several useful recommendations.

Please accept my personal appreciation for the time you have given to MAG. I hope that, as an alumnus, you will feel free to forward suggestions to MAG and will encourage others to do so.

Best wishes.
